

Social Networking at the RiverRink Winterfest!

Join the AWIS-PHL leadership team at Penn's landing on Saturday, January 27 for networking, drinks, food, ice skating, etc. Come yourself or bring your family and friends!!

We will congregate in the Lodge, a cosy ski-chalet inspired atmosphere with comfortable couches, tons of gathering tables, and bistro seating, perfect for mingling and networking! Grab a bite from the Lodge restaurant, with food and beverages from local restauranteurs.

There is something for everyone! You can hang out in the lodge and mingle but there is also the ice skating rink, an arcade, fire pits to make s'mores, and a Storytime at the Lodge event (featuring local Philly authors, performers, personalities, and more reading both classic and new books chosen by the Free Library of Philadelphia).
