**Join us for an evening of networking, insightful discussions,
and an all-you-can-eat buffet dinner.**

Each table will highlight a topic important to women in science and the workplace. Discussions will be facilitated by key women leaders. Examples of topical tables are: careers beyond the bench, work-life balance, the mentoring relationship, positioning yourself for career advancement, and effectively branding yourself through LinkedIn and social media. Move around and mingle at each table as long as you'd like. We hope that you will make new connections and jump-start your New Year's goals as we enter 2017!
