

# Becoming Brilliant: Re-Imagining Education for Our Time

by

## Kathy Hirsh-Pasek, PhD

Dr. Kathy Hirsh-Pasek is a Professor of Psychology at Temple University and author of *Becoming Brilliant: What Science tells us about raising successful children*. Kathy is the Stanley and Debra Lefkowitz Faculty Fellow at Temple University, President of the International Congress on Infant Studies, and Director of Temple University's Infant Language Laboratory. Her research in the areas of early language development and infant cognition has been funded by the National Science Foundation, the National Institutes of Health and Human Development, and the Institute of Education Sciences, resulting in 14 books and over 200 publications. See <http://kathyhirshpasek.com/> for more information.
