## Lisa M. Kozlowski, Ph.D.

Associate Dean for Student & Postdoctoral Affairs  
Jefferson Graduate School of Biomedical Sciences

Lisa is an immunologist by trade with a PhD from the University of Pennsylvania and postdoctoral training at the Johns Hopkins School of Medicine. She then found her true passion of helping others, especially science trainees, to find the best fit for their future careers. During this time, she has directed the Office of Postdoctoral Affairs while also playing a role in graduate student affairs and recruitment. She has also continued her passion for providing career guidance and mentoring to students and postdocs, on a one-on-one basis, through career development workshops and courses, and through her guidance of several student and postdoctoral organizations.
