

# How Introverts Can Survive and Thrive in Today's Workplace

Presented by

## Jane Finkle

### Career Coach & Author

What do Elon Musk, Melissa Mayer and Bill Gates all have in common outside of being wildly successful? They are all introverts. In today's fast paced, unstable workplace, achieving success requires speaking up and taking initiative. [Jane](#) will discuss how to use your introverted qualities to their best advantage and then add a sprinkling of extraverted skills to round out a forceful combination for ultimate career success. She will share strategies, tools and success stories that win an introvert the professional respect and recognition they deserve
