

# The Science of Wine: Tastes and Flavors

## With

# Vicki Miller of Vinocity

Vicki, Vinocity's founder, combines the educational aspects of wine courses with the social interaction of wine tastings, weaving the facts, figures and scientific aspects of winemaking into interesting stories about wine history and culture. During this informative and entertaining presentation, we will learn about and sample six wines accompanied by a food assortment from DiBruno Brothers including cheeses, olives, vegetables, crackers, & breads
