

## Management 101 Workshop Excelling at Optimizing People Power

Presented by

[Joanne Kamens, PhD](#)

As our work climate undergoes a dramatic evolution, an inclusive and supportive organizational culture has become vital for recruiting and retaining team members. Managers play a key role in the success and development of personnel. Talented managers lead teams and labs that get more done. Everyone knows someone who is a great scientist but a poor supervisor. Just like doing research—this is a skill you can learn and at which you can excel. Join us for the basics of managing people and to learn more about management excellence and the leap to leader.
