

Understanding our Natural Drives - Enhance Professional Success, Organizational Alignment and Personal Engagement Inside and Outside of Work

Presented by

[Jennifer J. Gould](#)

Founder at Reach Consulting, LLC

Knowing ourselves, really understanding our natural drives, can play a large role in our happiness and success at work and in our personal lives. There are situations where our natural drives enable us to thrive, some which enable us to stretch in healthy ways leading to satisfaction and growth, and there are others where the stretching required may feel overwhelming or even debilitating. There are scientifically validated instruments to help us gain clarity of our nature. This program will explore The Predictive Index.
